## Lawnmower Service

Customer Name: \_\_\_\_\_

Phone #: \_\_\_\_\_

Address: \_\_\_\_\_

Please check below the work you would like performed on your lawnmower. I only perform the work you authorize. This will help give clarity of what work I will do and what you expect to be done.

### Packaged Services:

Tune-up: Includes oil change, replace air filter, spark plug replacement, adjust cables & lube the wheel adjuster and sharpen & balance the blade. It does include cleaning and rebuilding the carburetor.

PM: Preventive Maintenance includes all of the above, but ***it does not include cleaning and rebuilding the carburetor.***

### Individual Services:

Carburetor clean: Clean & rebuild the carburetor. May also include draining and cleaning out the fuel tank if there is contaminated fuel.

Oil change: Synthetic blend oil SAE 10-30

Air filter: Replace with O.E.M. air filter

Spark plug: Replace with O.E.M. spark plug

Sharpen blade: Sharpen and balance the blade or replace if needed

Clean deck: Scrape the dried grass from the undercarriage of the deck

Recoil repair: Rewind and replace the rope

Drive belt: Replace the drive belt

Cable replace: Zone control cable or drive cable

Wheel replace: Front wheel or rear wheel

Estimate: Perform diagnostic tests to find out what is wrong and approximately how much the repair will cost.

Other issues: Please be specific.
